

# 9004DVD

**4CH Pentaplex H.264 Digital Video Recorder  
With Network, DVD-RW Backup & IR Remote Control.**

**HENELEC**  
State of the Art Electronics

9004DVD is adopted the latest ARM9 processor, it is generated with Linux operation system which provides higher reliability & stability. The graphic & windows style OSD interface will help you to operate the DVR easier. The H.264 hardware compression generates high resolution picture & fluent network transmission, and allows to record greater duration with smaller HDD space. The powerful network function can transfer the video & audio synchronously, and allows 5 accesses via network at the same time. You will be able to monitor your properties at anytime & anywhere with the mobile phone surveillance function. It's possible for you to add a CD/DVD-RW for fast backup.

## Features

- ◆ H.264 compression Network Transmission
- ◆ DVD-RW Backup
- ◆ Network Function: Support to live view with IE (Internet Explorer) & with Mobile phone
- ◆ 4 Audio Inputs
